"Be it resolved that the following ordinance to regulate and license Amusement Devices and Amusement Centers be enacted:

1. Statement of Purpose: It is the purpose of this ordinance pursuant to RSA 31:41-D to regulate and to license amusement devices and centers as defined herein, and to provide for the management of amusement centers in the public interest.

2. Definitions:

A. Amusement Device: The term "amusement device" shall mean any machine which, upon the insertion of a coin, slug, token, plate or disc, may be operated by the public generally for use as a game, entertainment, or amusement, whether or not registering a score, and whether or not skill is used in its operation. It shall include but not be limited to such devices as electronic games, pinball machines, skill ball, mechanical grab machines, and all games, operations, or transactions similar thereto under whatever name they may be indicated. The term does not include vending machines in which are not incorporated gaming or amusement features, nor does the term include any coin operated rides or devices which solely produce music.

remove and replace any device at will without further payment of a fee. The license fee shall be determined by maximum number of devices present on any day of the year, and not by the total number of different machines present during the entire year. In addition to the foregoing fee(s) the applicant for an amusement center shall pay a license fee of One Hundred (\$100.00) Dollars to operate an amusement center. All license fees shall be payable annually in advance.

D. Amusement Center Management Plan: Any applicant for an amusement center license shall contain a management plan containing at least the following:

1. The number of employees to be present at all times.
2. Procedures for determining the ages of patrons.
3. A plan to control loitering and bicycle parking in the vicinity of the amusement center.
4. A description of proposed operations to show proper control of noise, glare and overcrowding.
5. Hours of operation (daily as well as Sundays and holidays).
6. The maximum number of persons permitted on the premises as determined by the Jaffrey Fire Department.
7. Location of the posting of the rules and regulations.

E. License posted: The license to operate the amusement center shall be displayed in a conspicuous place.

F. Duration: Licenses shall be effective from the date granted until December 31, of the year granted. Any amusement center now in operation must pay all the fees and apply for a license within(thirty) 30 days of the effective date of this ordinance. Owners of establishments with fewer than four (4) devices now in operation must file in a like manner and pay all fees.

G. Renewal: Licenses will be reviewed annually by the Selectmen and renewed upon payment of fees if the person, firm corporation, or association applying for renewal has been found to comply with the provisions of this ordinance.

H. Revocation or Suspension: Such license may be revoked or suspended upon a determination that a violation of this ordinance has been committed by the license holder, his agent, or employees. Such revocation or suspension shall be carried out by the Selectmen only after due notice and hearing.

I. Additional Requirements: The Selectmen may from time to time amend this ordinance to modify, add, or delete any provisions thereof. Nothing in this ordinance shall be construed to abrogate, limit, or contradict any State or Federal Law or regulation.

B. Amusement Center: The term "amusement center" shall mean any premises having thereon available for use by the general public four (4) or more amusement devices as defined above.

C. Person, Firm, Corporation, or Association: The terms Person, firm, corporation, or association shall include any of these entities or combinations thereof owning an amusement device, or maintaining an establishment where one or more amusement devices are available for general use by the public, or having control over such an establishment.

3. Gambling Devices NOT permitted: Nothing in these ordinances shall in any way be construed to authorize, license or permit any gambling devices whatsoever prohibited or regulated by New Hampshire law.

4. Prohibited Practices:

A. No person under the age of 16 years shall be allowed to operate any amusement device unless accompanied by a parent or guardian. Board of Selectmen  
Town of Jaffrey  
Town Hall  
Jaffrey, New Hampshire 03452

Gentlemen:

In March 1980, the Town of Jaffrey engaged T.C. Edwards & Co., to conduct an examination of the financial statements of the Town as of December 31, 1982. The following report presents our findings and recommendations resulting from observations made during our audit. The purpose of a management report is to point out weaknesses in the Town's internal accounting control. As a part of our examination, we have made a study and evaluation of the Town's system of internal accounting controls to the extent we considered necessary to evaluate the system as required by generally accepted auditing standards. Under these standards, the purposes of such evaluation, are to establish a basis for reliance on the system of internal accounting controls in determining the nature, timing and extent of other auditing procedures that are necessary for expressing an opinion on the financial statements.

The provision of R.S.A. 71-A:21 require that only this letter be published in the next annual report of the Town.

I wish to take this opportunity to thank you and the office staff for their cooperation and assistance during the course of our engagement.

Very truly yours,

T.C. EDWARDS & CO.

REPORT OF THE JAFFREY PUBLIC LIBRARY TRUSTEES

Changes in staff and improvements in heat and humidity control were primary concerns of the Jaffrey Public Library Trustees in 1983.

Margaret Priest, head librarian since 1974, retired at the end of April. She had helped the Library to grow in many important ways, especially in the development of children's programs. The school children showed her their love and appreciation with a "Miss Priest Day" that ended with a special song and a flight of balloons. The rest of the Library community responded with teas, luncheons, and a reception hosted by the Friends of the Library for Miss Priest. The party included recognition of Miss Andrew and Mrs. Kunhardt, who resigned at the end of April.

Cynthia E. Hamilton, assistant librarian, became the new head librarian on May 1. Staff member Marilyn Simons and volunteers from the Friends of the Library worked extra time while Mrs. Hamilton selected temporary summer staff and permanent staff to start work in the fall. The smoothness of the changes in duties and personnel was impressive to watch. The Library continued to function well. Three pre-school story-time programs included a series in the spring led by Mrs. Giffin Russell, one in the summer by Mrs. Debra Zilske, and one in the fall by Mrs. Jeanne Hardendorff. The summer reading program featured E.T., with excellent art work done by Debra Zilske. Ninety-six children helped to "Read E.T. Home."

By September the staff was complete, with Mrs. Jeanne B. Hardendorff as full-time children's librarian, and three part-time library assistants; Mrs. Lisa Bearce, Miss Marilyn Simons, and Mrs. Debra Zilske.

The Friends of the Library raised \$900 at their summer Book Sale. The Trustees are very grateful to Helen B. Krause for serving as chairman of the Friends of the Library for several years. They welcome her successor, Helen Mallery.

Revenue Sharing funds voted at the 1983 Town Meeting supported improvements in heating, cooling, and humidity control at the Library. Calvin A. Brown Associates, Inc. did the engineering work, and Dayspring Builders, Inc. of Hillsboro was the contractor. Later on, two new oil tanks were installed. The temperature is now fairly evenly distributed on all three floors, and fuel consumption is expected to be lower.

The Town of Jaffrey provides funds from taxes for utilities and some Library salaries. These funds are supplemented by expendable gifts and by income from bequests to the Library. The Trustees are very grateful for this interest and support from Jaffrey people who realize the importance of a good library to the entertainment and education of people of all ages and abilities.

REPORT OF THE BOARD OF ADJUSTMENT

Applications to the Jaffrey Board of Adjustment for appeal are normally scheduled for public hearing on the first Tuesday of each month at 7:30 p.m. A member of the Board will meet with any applicant requiring assistance the Tuesday evening two weeks prior to the first Tuesday of the following month in the Town Office beginning at 5:00 p.m. to render any necessary assistance in completing your application.

This past year 50 applications were submitted to the Board of Adjustment for review. Of the applications submitted, 40 were granted, many of which included specific restrictions to the proposed plan. Of the remaining 10, 8 were denied and 2 were withdrawn by the applicants after a cursory review with the Board.

Of the 2 denied, 2 were appealed and the denials were reaffirmed by the Board with no further action taken.

We are pleased to report that income from the applications exceeded clerical and administrative expenditures for the year, and the Board of Adjustment was a user-funded service to the community.

In 1983 Roland Boucher and Franklin Sterling, Jr. became regular members and Frank Wright, IV rejoined the Board of Adjustment. Sharon Prestigiacomo became the new non-voting clerk.

Respectfully submitted,

S. R. Wells, Chairman  
Jaffrey Board of Adjustment

CONSERVATION COMMISSION REPORT

During the year this Commission reviewed and took action on several applications, filed with the Board of Adjustment, for variances and special exceptions to the existing Wetlands Regulations. The review of all State Dredge and Fill Permit applications consumed a considerable amount of the Commission's time. Presently, there are ten permits outstanding, that are being monitored. The Commission is developing means to facilitate and improve the processing and monitoring of these dredge and fill processes.

Two Jaffrey students were sent to Conservation Camp through the Conservation Commission thanks to financial gifts from the Monadnock Bank and D.D. Bean.

During the year we reluctantly accepted the resignation of Gerald DeGrandpre (for business reasons), who was replaced by Alan Leach, which keeps the Commission at full strength.

Two of our members attended the four lectures of the Eighth Annual Municipal Law Lecture Series held in Marlborough in October, dealing with planning, zoning, trends and court decisions. Also, this fall, two of our members were able to attend the annual meeting of the N.H. Association of Conservation Commissions held in Manchester early in November. These types of meetings are both fruitful and important to the growth of the individuals and enhances their value to the Commission.

Special thanks should go to Charles Baldwin (former chairman) for his great assistance in making the transition of chairmen smooth.

We do have a continuing need to make people aware of existing Conservation regulations and ordinances, that they should become familiar with before considering projects, which will alter the physical appearance (particularly wetland areas) of their property.

Respectfully submitted,

Frank Pinkham, Jr.  
Chairman

REPORT OF THE JAFFREY HISTORIC DISTRICT COMMISSION

During the past year the Commission continued its activities in accordance with the procedural Rules adopted in the previous year. For the first time in recent years the Commission was at its authorized size of seven members.

In early summer copies of the District Regulations, the Rules and proposed Guidelines were distributed to each of the 39 property-owners in the District. On July 16th the Commission held, at the Meeting House, the first District-wide meeting since 1974 at which the Rules and Guidelines were discussed and direction sought. The Commission has since considered a number of the points raised and expects to present revised Guidelines at a second General Meeting during the summer of 1984.

As a result of last summer's meeting, the Commission amended its Rules establishing a regular meeting on the first Thursday of each month. (Previously meetings were called when needed.) These are held at 7:30 p.m. in the District Courtroom. Property owners are urged to discuss informally their plans with the Commission at any of these monthly meetings.

The Commission has established a collection of reference material, a step also suggested at the General Meeting. This is housed in the Civic Center Reading Library and all interested persons are encouraged to make use of it. Included is information on state and local legislation, historic surveys, maintenance issues, economics of preservation, technical assistance and so on, as well as period hardware catalogues, rehabilitation standards, lists of consultants, bibliographies, etc. This is a non-circulating collection available for use during regular Civic Center hours.

A member of the Commission has attended each of the meetings of the New Hampshire Association of Historic District Commissions during the past year. These have been held in Concord, Manchester, and Exeter and have afforded the Commission the opportunity of learning what other New Hampshire towns and cities are doing in the field of preservation.

During the past year the Commission considered seven applications of which six were approved and one was disapproved. No appeals or re-hearings were requested. The Commission has no appropriation from the town.

Respectfully submitted,

James W. Balentine  
Chairman

REPORT OF THE PLANNING BOARD

During 1983, the Planning Board approved site plans for over 140,000 square feet of new commercial and industrial construction. We are pleased to witness expansion of existing businesses and to welcome new industries to town, especially as they enhance job opportunities for Jaffrey people. Both industries new to town and existing ones which are expanding are keenly aware of Jaffrey's need to maintain clean air, clean water, and a pleasant, attractive environment. The Board feels, however, that in view of the rate of expansion we are witnessing, it should conduct a review of the nature of Jaffrey's growth in terms of its impact on town services and housing.

This year, the Board drafted a revision of the Jaffrey Mobile Home Park Regulations to bring them in line with 1981 and 1983 changes in state law and to update and simplify them. The Board also conducted public hearings on a proposal to re-zone from Rural to Industrial some ten acres adjacent to the present Millipore Industrial District. Both of these questions will be on the ballot for the 1984 Town Meeting.

The Planning Board meets at the Town Office Building at 7:30 p.m. on the second Tuesday of each month, unless holidays or the nature of public hearings require special meetings or a change of date. Time is always set aside at the beginning of each meeting for persons having questions or wishing preliminary discussions of possible subdivisions, site plan, or excavation of earth applications. In this way, residents of Jaffrey can discuss such matters as early in the process as possible, and in an informal way. No appointment is necessary; people can call either the chairman or secretary, or just appear at the Board meeting.

The Planning Board has frequently waived public hearing on site plan reviews if the applicant has already had a hearing before the Board of Adjustment. Recent legislation permitting joint hearings of the two boards may enable us to make the review process simpler and quicker.

We have had no personnel changes during 1983, except that Henry Gallup resigned in November.

It has been a busy year, and it looks as if the pace will continue during the next one. I wish to thank each member of the Board for the dedication and the conscientious effort shown throughout the year.

Respectfully submitted,

Archie Coll, Jr.  
Chairman

## REPORT OF THE JAFFREY RECREATION DEPARTMENT

1983 was planned as a year of little growth in the numbers of activities offered. Our main emphasis was to be upon developing diversification in our activities plan and improving upon the quality of those activities offered. In actuality, we conducted about the same number of programs in 1983 as in 1982 with total attendance being up slightly. The figures below reflect this. It should be noted that the method of computing the open programs was different this year and we hope more realistic.

PROGRAMS	NUMBER OF PROGRAMS RUN	NUMBER OF PARTICIPANTS
<u>TRIPS</u>		
Family	16	326
Senior	9	175
Adult	11	133
Youth	6	124
<u>YOUTH ATHLETIC PROGRAMS</u>	4	136
<u>ADULT PROGRAMS</u>		
Fitness Classes	21	394
Classes	17	73
Workshops	13	44
<u>SENIOR PROGRAMS</u>	13	258
<u>SPECIAL EVENTS</u>	8	993
<u>SCHOOL VACATION/HOLIDAY PROGRAMS</u>	2	145
<u>YOUTH PROGRAMS</u>		
Sports & Fitness Classes	15	217
Summer Playground & Day Camp	2	420
Youth Classes	6	87
<u>OTHER PROGRAMS</u>		
Beach	4	3,803
Skating Rink figures included but not complete		
<u>OPEN PROGRAMS*</u>	4	3,784*
TOTAL FIGURES FOR 1983	150	11,107

\*The total figure of participants shown for Open Programs reflects the number of individuals who participate in each session. It does not show the number of different individuals who participate each session.

During 1983, we feel that we made real headway accomplishing our goals of offering a more diversified program of activities and also in providing a better quality of activities. Our major accomplishments during the year past would seem to be:

1. We developed a training program for our summer staff which seemed to pay off greatly for both the beach operation and the day camp.
2. We further refined the Jaffrey Halloween and Jaffrey Christmas programs and saw attendance about double for both events.
3. We reorganized the Summer Sports Camp Program. Attendance was disappointing.
4. Working with the Friends of Recreation, we constructed new fencing at Humiston Field and the beach.
5. The Jaffrey Lions Club donated fencing for the Skating Rink and the Friends of Recreation purchased two basketball goals for the all purpose court at Humiston Field.
6. We began updating our operations manual and refining our operations procedures.
7. We moved our athletic office to Conant High School to allow for easier access and better communications.

The Recreation Committee is most pleased with our accomplishments this year. The Department has grown to a size compatible with the needs of the town. Future goals will most likely continue to focus upon diversification, offering programs for all age groups, and continually evaluating and improving the quality of those activities offered to the people of Jaffrey.

Our plans for 1984 are similar to those for 1983. We hope to accomplish many specific projects with our major emphasis being in the following areas:

1. Improve our operating procedures and methods to provide for more efficiency. This would include more effective staff training and supervision, completion of the operations manual, use of more volunteer help, and more effective planning of activities.
2. Evaluate and reorganize our promotion and publicity plan to more effectively inform the residents of Jaffrey of our many offerings.
3. Evaluate and improve the facilities where possible, especially the beach area and the athletic field at Humiston Field.
4. Work more closely with other programs and organizations where we provide support services.

5. Continue to offer a diversified program of activities and continually strive to improve its quality.

This is an ambitious undertaking which will require the cooperation of many. Hopefully, the results will be a better Recreation Department.

The Recreation Committee wishes to thank the many individuals and organizations who supported our efforts during the past year. Without your help in volunteering to assist with special events, coaching, providing transportation, and many other such efforts, we would not be able to provide the many activities that we have.

The Jaffrey Friends of Recreation, Lions Club, American Legion, V.F.W., Jaffrey Public Works Department, Jaffrey Police Department, the J-R School District, Jaffrey Businesses and Merchants, and the Town Office Staff, all provide us with tremendous support both in terms of volunteers and materials. Please accept our sincere thanks.

REPORT FROM THE COMMISSIONERS OF THE  
SOUTHWEST REGION PLANNING COMMISSION

Jaffrey is a member of the Southwest Region Planning Commission which maintains offices in Keene and provides a diversity of technical assistance and services through its professional staff. The Commission has, traditionally, has worked with Planning Boards, Boards of Selectmen and Boards of Adjustment in responding to the myriad of questions and concerns relating to growth and development in its member communities. It has provided professional staff assistance in the preparation of master plans, zoning ordinances, subdivision regulations, site plan regulations and review, and has offered interpretations and opinions in deciding matters brought before these various agencies and boards. Jaffrey has called upon the staff for such assistance on numerous occasions.

More recently, the Commission has diversified its services to member towns in the establishment of such cost-effective programs as cooperative purchasing which brings together the purchasing requirements of many towns in order to have a greater impact in the marketplace and, thus, obtain better purchase prices. The Commission's computer capability has been well received and many towns have computerized their tax and utility billings, voter checklists, and mailing labels under the auspices of the Commission.
